

## 4000 Years Of God's Hate/Rage

4,000 years of God's hate rage has arrived to folks on us in 2,000s. Earthquakes beyond belief signals the Great Tribulation, (Pangs of Distress), are here. For the last 12 years I've warned people of earthquakes coming, that will kill 1,000s of people. The Tsunami I told of 2 years in advance. I told people of floods, fires, (can't be put out) Tornadoes (6 years ago) I told people they would destroy villages, towns, even parts of cities. I am not a prophet, but a messenger. I deliver messages of the Scriptures no one can tell you about. Example: No one is listed in Book of Life until 1200 years from now guaranteed. These tragedies are in the Bible pronounced 1000s of years in advance. God promised no more flooding the earth to Noah. He kept it, but he did not promise floods won't occur thru Bible knowledge which belongs to God & Christ. I have warned for 7 years of earthquakes, fires, floods, mud slides, hurricanes, typhoons. All that is in God's

6. What can your Minister, Rabbi or Jehovah's' Witnesses tell you of these?

they describe Tribulations Armageddon to you accurately or the 1000 years ahead?

7. Can your ministers tell you what happened after the 1000 years? - I can

8. What 2 things must be done away with before any name is put in Books of Life?

9. When will Heaven be rolled up - discarded?

10. Can your Ministers describe the 1000 years?

11. What was Jesus last prophecy? - Luke 21

These are a few examples of what can make the Bible a never ending story to you.

Truth, no one on this earth can ever show or teach you. I can guarantee for life I'm expensive. If your teacher, but every cent is worth what you'll learn

Bible should be a road map for our hearts using its steps to drink, rest, and direction. We refresh what we know and relearn so much we forgot in our journey.

Thru Bible study you invite God, Christ into your hearts, and if they like what they see they may sit down in your heart and stay forever. Matthew 11-14  
Revelation 19-9 - Don't be left out to die in Armageddon.

How serious is what you've read? It's an offer of life or death. Lets look at Jesus last prophecy for time of end. Only in Luke will

soon will die forever for not believing God life or death.

## 4000 Years Of God's Hate/Rage Bible Knowledge

Lets see why Bible knowledge is so important. Friends know of family situations, true! But sons, daughters, know most secretive matters. The same things applies in your relationship with God, Christ. You say you love them, fine. But do they return your love? If you really know nothing about them except in mind knowledge. Maybe a few scriptures of hear say.

The Jehovah's Witness claim their friends of God. If you're not hearing, speaking, what they're saying, do the Jehovah's go to Heaven, talk to God, Christians return to earth to give God's latest news. No one can.

To be a friend of God you must be able to converse with God personally. No human is in his intimate group. Not even the Jehovah's. Ho do we get intimate with God? By study, reading, the Bible daily as our guide. Draw close to God, he will draw close to us. We must be intimate with God 24/7. Jeremiah 23-16-23 hot to get this intimacy we seek.

Only by Bible study is this possible. The

you find, watch the sky for it's fearful sights, great signs to announce Christ's coming. What else can we use to know this is the end? What else can we use to know this is the end? Earthquakes, floods, fires that cannot be put out are few.

Watch the sky, save your lives. Hurry as God says in 2nd Corinthians, turn around, quit touching the unclear thing and I will take you in. You'll be sons and daughters to me and I will become your FATHER.

Now, back to Jesus' last prophecy. Read this very carefully it means life or death, being put before you. Choice is yours. Watch the sky. What should we look for? Luke 21-20-36.

The great tribulations is first with no escape. The Bible provides signs to watch for in sun, moon, never seen before or ever again. All approach to God is cut off. Lamentation 3-43 with no help from God we become terrified. So sudden do these things occur that we're paralyzed. 7 Billion people very

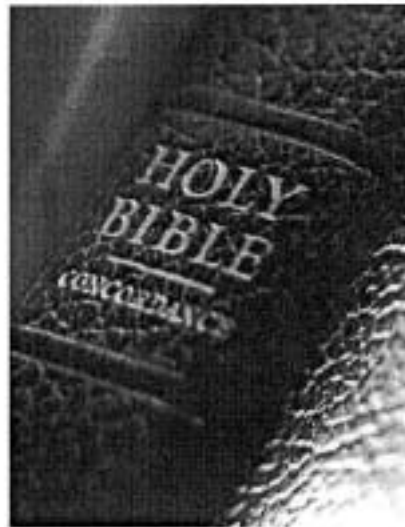

participate and offer our share. Even when we know it's wrong we do it anyway forgetting we owe for it. God calls out to us everyday. "Don't do it!" Pay the attention needed it involves our lives. God tells us it's when they call HE will not answer. Because of failure to give respect in Glory, we pay for our sins by not listening to warnings. It's the renegade who don't care.

there, billions still with him, but only a few decided they wanted their way. Send all donations, gifts, contributions to:

## 4000 Years Of God's Hate/Rage The Deadliest Of All - Armageddon

Now we begin the deadliest of all - ARMAGEDDON. To understand the destruction, we must start with Eden where Adam and Eve fell.

What we will be examining, is God's vision of time. How far he sees into the future. This is how we get to know God. In Eden, look how far ahead God saw when Adam fell. First he will condemn Adam, Eve, Satan to death. Did god have fore knowledge of the? - Yes When he told Adam not to eat fruit he would . - Why put Tree of Knowledge of bad or good? Remember Adam named every tree, bird, animal. Gen 11-6 confirms. Lets start with Noah's Ark. God gave exact measures then the genealogy of Christ. Gods vision foresaw Abraham, Jacob, David, the nation of Israel, the pagan nations he'd settle them in: Daniel.

God list the world posers to come, their rise and fall. Used prophets to tell of future.

Example:

He went 4000 years ahead from Eden to

## 4000 Years Of God's Hate/Rage Your Life

Page 4 deals with your life more than all else that is to be safe guarded is your heart. From it flows your life, breath. When your breath stops it returns to God. If your hear is right toward God. If your heart is right toward God - Christ the Kingdom you may be resurrected and have it returned.

We are born in sin. Life is a journey. The Bible is our roadmap. Where we will get hungry, thirsty on the ways? It's a walk we take in our lives never to be repeated. The Jews laws of thinking of God when you walk, lie down, get up, or sit 24/7 is the key to this method because you allow God to follow 24/7 to know where you're at.

What are you thinking, what you're doing. This allows his wisdom to lead us daily as we walk about. When you lie down it stands guard over you. When you wake up it will make you it's concern. We all fall short of God's purposes cause when we get up in the morning we forget to thank HIM for being alive to work on another day,

Their easy going is what destroys the stupid. This is the bad guy, now learn what the practical wisdom of he Bible will do. True wisdom will Build us a shield to yes, protect us from the dangers of life. God invite us to taste of him thru his word daily to build a Shield Of Faith.

The Bible is like food, drink that daily Bible readings provides us. It is up to us to daily stop at rest to drink, feed on God's word as a shield of protection. God is inviting us to a banquet he's prepared. The table will sit anyone who desires to gain God's approval, your place is waiting. Will you spare the time to sit and hear the most beautiful expression that is music to a responsive heart? Do you have some spare time to share with God Christ and a extra 1,000 years? Yes, 1,000 extra years on a peaceful earth. Want an invite? All you have to do daily is open Bible's cover and feed.

Now lets look at God's beautiful heart and see his beauty. The Angels agree

describe Christ's coming to earth. From Christ to our time the Bible gives Gods event to come. Christ did warn of the Great Tribulations to come. The Battle of Armageddon on our system the Bible has 100s of events leading to our time. After Armageddon, God tells of 1000 years of peace, tranquility. Then God saw the first name written in the Book of Life and forever more. These are a few of God's visions there are 100s to describe. The Great Tribulation you must study the Bible. It is the only means to understand God's purpose of the world. This is not mine but belongs to God and Christ.

you all opposed of God's kingdom destroyed. We're moving rapidly towards Great Tribulations and Armageddon. We must hurry with our decision as time runs out. Will you become a statistic, or a survivor? Choice is yours... The time left is now measured in months, weeks, not years anymore.
