DYNAMO CELL PHONE CHARGER

Powers up your cell phone without an outlet

Don't be left with a dead cell phone! Charge it anywhere, anytime with the Dynamo cell phone charger - that, conveniently, also doubles as an emergency flashlight. Doesn't require an outlet, batteries or a car socket. Just plug it into your phone, crank the handle for about 3 minutes - then talk for 8 to 15 minutes. Or, you can use the LED flashlight at its high or low setting for 16 to 30 minutes. An emergency must! Durable plastic housing, about 2" x 3" x 1". Comes with eight adaptors for use with most cell phones.
