**THERE IS NO MYSTERY** when looking for a superior Stamp Program. The mystery is finding one that will work and work well. **THE STAMP PROMOTER** is such a program.

With the increasing cost of postage, joining a good stamp program is essential. Begin by looking for a program that will bring in stamps continuously. With **THE STAMP PROMOTER** you receive stamps from your efforts and those of three (3) other people. It doesn't matter which Birth Month the new member joined through; if your name is in that Promoter Block, everyone in that Block receives a book of 20 First Class Stamps.

**IF YOU ARE READY TO JOIN  
LET'S GET STARTED!!**

- Locate your Birth Month in one of the three series of Promoter Blocks.

- Purchase 2 books of 20 First Class Stamps **for the Monitor** and **one each** for each person who shares your Promoter Block.

- Wrap one (1) book of 20 First Class Stamps in a copy of this circular and mail it directly to each person whose name appears in **your** shared Promoter Block.

- Wrap two (2) books of 20 First Class Stamps in a copy of this circular and mail it directly to the **MONITOR**.

The Monitor will send you a camera-ready copy of this circular with your name inserted in your Birth Month.

Just imagine how many books of First Class Stamps you might receive when all four of the shared blocks are filled and each person begins mailing their circular!

The number of stamps could be **ASTRONOMICAL!**
