

# Welcome To: Fast Cash \$20

## The Easiest Cash Generating System of All Time!

Dear Friend,

How excited would you be if you could get 50 people each to deposit a \$20 Bill into your bank account? .. Better yet, imagine how exciting it would be if you could get 100 people to do the same, but instead of putting the money into your bank account these 100 people mail the \$20 Bills straight to your front door! ... And the most exciting part of all, you can do this over and over!

If you are like me you're probably going to say thanks for the \$2,000 ... Now what's the catch? And that's the best part of all ... As the creator of Fast Cash \$20 I'm here to tell you there is no catch! When you join our program you're going to be receiving cash gifts from people all over the United States that have been waiting for this amazing opportunity!

Why should you stop what you are doing and join our program today! ... Fast Cash \$20 is brand new and you are among the very first to see our exciting new program! ... While your other programs fail to deliver, our distributors are busy withdrawing \$20 Bills from their mail-boxes!

Every few years or so a program comes along that changes the way we think about mail-order! A program so unique that everyone who joins has great success! ... Fast Cash \$20 is that program!

Please read the enclosed Fast Cash \$20 Flyer, then it is my hope that you decide to become a distributor for our amazing new program ... John Kowli

Thank You,
