A Dream Business

I don't care how many opportunity offers you've responded to. You've never seen a home business that can match this one. It employs a moneymaking technique that's so advanced, it's actually simple. We've uncovered a multi-billion-dollar market that's largely untapped. It has the potential to make millionaires out of common folks. We're not asking you to take our word for it. We'll send you absolute and unequivocal proof - so powerful and gripping, it will blow your mind!

No, this is not an ordinary run-of-the-mill business opportunity you've read about in magazines and tabloids.

- It has nothing to do with multi-level or network marketing.
- It does not involve buying or selling real estate.
- It is not mail order selling - although most of this business can be handled by mail.
- It has nothing to do with pyramid schemes or stuffing envelopes.
- It has nothing to do with investments, stocks, bonds, etc.

You'll find operating this business "a piece

of cake." In fact, we have a staff of marketing experts to guide you step-by-step if necessary.

They're just a phone call, E-mail or fax away. You'll be working for yourself but not by yourself.

NO SELLING

My Name is Tiran Zaken. Perhaps you've heard or read about me. I've been featured in numerous opportunity magazines. I helped thousands of people realize their dream of financial independence. I own and operate the business that's the subject of this offer.

Send No Money

It's not a book or paper plan on how to start your own business. I have a stake in your success. I'm willing to invest my own time and money to help you make money. No, I am not a philanthropist. I am, first and foremost, a businessman. I intend to make a profit from your success.

Don't get me wrong. It will give me great personal satisfaction to see you grow rich. At the same time, however, I will become even richer by helping you realize your dreams of financial freedom.

Look, I could continue operating this business at its current level and make more money than I could spend in three lifetimes. But I visualize opportunities for others to make money and succeed. And the more people I reach, the more everyone benefits - you, me, my organization and ultimately the people who take advantage of the great value and benefits our business offers.

Here's My Offer

I have a detailed wealth-building kit that explains the whole business. I'll send it to you FREE! You can examine it at your leisure. Show it to your lawyer, accountant, whomever you trust. Check it out thoroughly. If you decide to come on board, follow the simple instructions. If you're not 100% convinced this

opportunity is the hottest, most profitable home business you've ever seen, heard or read about, trash it. You don't owe me a cent. I'm sending you "insider secrets" that took me years to unlock and thousands of dollars to write, print and publish - FREE!

My business associates tell me I'm crazy to give away details about my moneymaking secrets free. They say I should be charging at least \$40.00, \$50.00 or more. But I'll have no part of it. I'm sending them FREE to anyone with the drive and desire to succeed in their own business.

Why? Because I know a certain percentage of ambitious and motivated entrepreneurs will seize the opportunity and make a ton of money. That's great for my business and me. I must caution you, however, I only have a limited supply of my wealth building kits. When they are gone, that's it! This offer will be withdrawn without further notice.

Time Is Of the Essence

If you would like to get in on this multi-billion dollar (and growing) business, you MUST ACT NOW! Hopefully, you will be among the first to respond to this offer. I'd hate to see you lose out on this once-in-a-lifetime opportunity. Fill out the coupon below. Do it NOW while everything is in front of you. Financial success is as close as your nearest mailbox. It's yours if you sincerely want it. BUT YOU MUST NOT DELAY!
