The Network Marketing Compensation Plan being utilized for this program is a 2x2 Matrix that pays \$1,050 in commissions for each Matrix that you start.

This compensation vehicle is easy to explain and easy to understand, making it a duplicate business model. You simply have 2 people on your 1st level and 4 on your 2nd level providing a total of just 6 group sales (see graphic below). Each time that this happens you complete a cycle and as a bonus you are **automatically reentered for FREE into another 2x2 Matrix** in the highest available position in your sponsor's current Matrix. This can happen unlimited times in a day with no sponsoring required! All FREE bonus reentries count as bonus sales in the Matrix.

The \$1,050 commissions are paid out \$150 at a time either when you complete your cycle and when any of the 6 reps in your Matrix completes their cycle regardless if you personally sponsored them or not. This is a very powerful matching bonus as it creates huge leverage for you through the efforts of others all working together. In order to qualify for the matching bonus, you only need to personally sponsor two paid travel memberships. This plan rewards both the leaders and the average home based business network marketers. It's truly a compensation plan for the masses!!

Each day commissions are calculated and paid on the retail travel memberships in your 2x2 Matrix. **Commission checks are cut DAILY 10 business days after processing.** For example, you complete a cycle on **Monday before 11:59 pm Central Time** those orders are processed on the following Tuesday, your check is cut the following Tuesday after and sent out first class mail the next business day. That's **FAST CASH AND IT KEEPS COMING ON A DAILY BASIS!!!**
