**YOUR FINANCIAL SALVATION  
HEAVENLY FATHER,**

Most Gracious and Loving God, I pray to you that you abundantly bless my family and me. I know that you recognize, that a family is more than just a mother and father, sister and brother, husband and wife, but all who believe and trust in you. Father, I send up a prayer request for financial blessings for not only the person who sent this to me, but for me and all that I have forwarded this message on to. And that the power of joined prayer by those who believe and trust in you, is more powerful than anything. I thank you in advance for your blessings. Father GOD, deliver the person reading this right now from debt and debt burdens.

Release your Godly Wisdom that I may be a good steward over all that **YOU have called me to be in my financial Blessings. Father, for I know how wonderful and mighty you are and how if we just obey you and walk** in your word and have the faith of a mustard seed that you will pour out blessings.

I thank you now Lord for the recent blessings I received and for the blessings yet to come because I know you are not done with me yet. American Students Need Your Help

You Can Help A Student In Need!  
An American College Education  
For American Students Please Help!

This Program was created by, a marketing company working to help Individuals raise money. Students need money for College to meet our future need for educated leadership to preserve the American dream. With this program we are asking people to join together and give a Gift to the Hall's College Fund Individuals need help. You as an Individual can give a Gift of \$50.00 to the Hall's College Fund \$50.00 to three Individuals, join us in helping people that need Extra Cash And This Includes You!

You know that people are joining all types of money making programs that make a promise of riches that don't come through. With this program people are Guaranteed to receive each and every check written in their name. You can help an individual break the cycle of programs that don't work and join one that is Guaranteed to work and you can see this is a fact, just write 4 checks or postal money orders which equals a total amount of \$200.00 giving a Gift of hope to an American student in need today.

Just 100 people Gifting with you = \$5,000 a week that is just one person each sending one check for \$50.00, then 100 more Gifting with you adds up to 2 X \$5,000 = \$10,000 with this business builder this can be built up to \$10,000 per-week Gifting.

If you are not willing to INVEST at least \$200 in any business enterprise then business is NOT FOR YOU. One of the hardest things someone will face is the "change of thinking" required when going from an "employee mentality" to a "business builder". You must understand AND accept that investment of time and or money is a REQUIRED activity to make ANY business work. Being in this business will give you tax free money, employees do not get... keep this in mind. In a home business as a paid fundraiser all of the gifts, you and everyone receives is a Gift... And you should be aware the typical franchise starts at \$25,000 and averages \$150,000 to \$500,000... or more and is not tax free. By comparison a business that costs \$200 to get involved is a bargain but the real key is treating it like a business that cost you \$500,000... treat it that serious, and your gifts from it will be serious.

Please Give To The College Fund!

That key represents the **Great Secret Of Life**. That phrase was used in "The Secret", but do you realize it has been written about for at least the past 2400 years. It has been **suppressed**, because fortunes are made by keeping the masses in the dark. Self help the secret for all! **Giving and receiving is the Great Secret Of Life!**
