# Welcome and Congratulations!

You have entered the world of **Fast CASH**, made available to you by Carlton Group with the same address since 1971. Having studied many different high yield programs for numerous years our group concluded that too many programs are too complex, too difficult to understand, have too many pages to read, etc. etc. .... when all you really want to do is make cash as fast as possible with no misunderstandings and no hassle.

As a result, in 2004 we came up with the concept of **Fast CASH**. Following a couple of years of extensive testing (by means of selected invitations) **Fast CASH** is now available to everyone! Don't Miss This Opportunity! **Fast CASH** does exactly what the name implies; it makes you cash, lots of it, very, very, quickly.

**Fast CASH** is designed with no fuss and no fancy frills. It is intended to be easy to understand, easy to participate in, and most of all easy to profit from. There are no long explanations about investments, funds, portfolios, etc. All you need to know is that you can receive lots and lots of money very fast indeed with no bull. You ask us no questions and we will tell you no lies. We just want you to receive as much money as you can whether you want to retire or just boost your income big time!

Whatever amount you decide to send to us we can double it in 180 days. Now, if you're thinking 180 days isn't fast, then consider this, **The Rule of 72**: Divide the interest rate into 72 and it tells you the number of years it will take to double your money. A good bank might give you 3%. 72 divided by 3% = 24 years! .... **Stop Struggling and Start LIVING!** Discover What Thousands of Other People Have Already Learned.... **You Can Double Your Money!!!!..... and You Can Do It In 180 Days!!**

You can send as many times as you wish, whenever you wish. Any amount from \$100 to \$100,000 per single transaction. It is entirely up to you. Each payment you send us will be treated separately. We do not charge any fees, or administration costs. We do offer **awesome** Finder's Fees of 5% if you find others to loan money to Carlton Group.

We only accept the following types of payment: CASH, CASHIER'S CHECK, or MONEY ORDER. No other form of payment is accepted, including credit cards. Please do not ask!

We want you to enjoy this experience of the ultimate way to make money, and we mean lots of it very, very quickly...., and it appears that already you are thinking about what you can do with all that extra 'no work' money coming your way. What really matters is that you **Start NOW**, or it won't happen!

Send any amount in multiples of whole dollars (no cents or fractions of a dollar please) between the minimum of \$100 and the maximum of \$100,000. Payment must be made in US Dollars. You can send via UPS, DHL, FedEx or the US Post Office. Return payments to you will be sent via USPO. We have never had a problem with any funds going missing. We do not tell anyone, and you shouldn't either that you are sending and/or receiving cash/checks via mail or courier. We always just say we are sending important 'paper' should anyone at the post office or courier inquire. Your personal information is always kept confidential and no reporting of any kind is done.

Fill out the form on the next page, and enclose the page with the payment you are sending. We would like you to appreciate the fact that in only 180 days 100% profit can be on its way to you.

Participate in **Fast CASH**, and one of the first things you can become aware of is **FREEDOM**... More Money... More Free Time... Vacations... More Time With Family... The more you participate in **Fast CASH**, the more **freedom** you can have!

**Double Each Dollar You Send!** Plus, Upon Receipt of Your Loan You Will Be Sent a **FREE** Round-Trip Airfare & 2-Night Hotel Accommodation For Two... **Vacation Certificate!**
